

Open call

We are pleased to announce an open call that invites you to participate with A4 art work at our exhibition stand at the alternative art fair, **Supermarket 2007**, which is taking place from the 22nd to the 25th of February 2007 in Stockholm.

The A4 art work can be everything from formal to conceptual, photo, text, drawing etc. However, we only accept digital art work, so we will be able to print more than one. The A4 art works will be displayed on our exhibition stand at the art fair and the visitors will then be able to look through the art works and take as many as they want.

Our only requirements to your work of art, are that the format has to be pdf, jpg, gif, tif, doc or txt and max. 1 MB. Furthermore, it has to be one side black and white print in an A4 format (29,7 cm x 21 cm).

The names of the participating artists will be mentioned on a list at the art fair and on the web site of Koh-i-noor. Your name will not be mentioned next to your A4 art work unless it is incorporated in the work.

Please, send us our work of art before the 12th of February 2007 to: Kohinoormail@gmail.com

If you have any questions please contact us at: Koh-i-noor@koh-i-noor.org
